Our Lions Clubs

The 2026 Convention will be the fourth that the Lions Club of Millicent has organised. We enjoy providing good food, great venues and plenty of fun.

Our club was Chartered in May 1964, sponsored by the Lions Club of Mt Gambier. In turn we have chartered the Lions Club of Beachport and the Lions Club of Wattle Range Lioness. Both are very successful clubs.

We are proud of our member built clubrooms and, as well as being our meeting place, we use it to cater for community events, storage of our mobile freezer room, catering van, BBQs, tables and chairs.

The Lions Club of Wattle Range Lioness has made its presence felt in many areas too. Their recycle book shop has been especially successful in raising thousands of dollars for the community. Catering and raffles boost funds and these funds also support local community projects. A highlight of the Lions Club of Wattle Range Lioness fund raising is Wilma's Walnut shop, run by Lion Wilma Lore who has raised over \$100,000 for the Prostate Cancer Foundation.

Two great clubs working together.

Artists do great things in Millicent. The gallery to the rear of the library facility has ever changing displays, power poles are adorned with images. Visit behind the gymnasium in Davenport St at night.

Nearby towns of Beachport and Southend are well worth the drive. You can't beat the clifftops of the Scenic Drive at Beachport, or the Woakwine Cutting 13km from Beachport off the Robe Rd .

A great 1km walk surrounds Lake McIntyre just a couple of kilometres from Millicent. Dozens of birds can be seen and enjoyed. The Lake area is great for a BBQ too.
